WHAT HAS HAPPENED DURING
THE WEEK?

*“The best
experiences
are here”*

Key Stage 3 Project Day

We started March with an alien landing behind the sports hall! Mrs Roman organised a fantastic project day for Key Stage 3 pupils which was fun as well as teaching pupils teambuilding, invention and creativity skills.

Celebrating British Science Week in Primary

Primary pupils have had a special week investigating, designing, discovering and making – as part of their science week.

4P
Solar powered cars

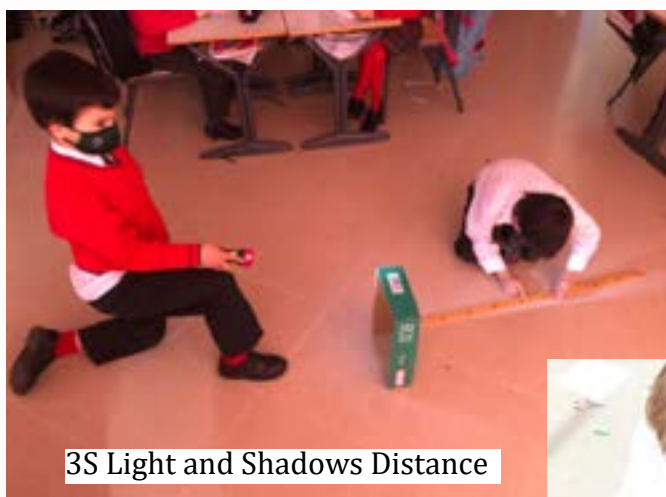

3S Fighting Viruses

5M Vaccinating
Jenga block

Yr 6 Designing Parachutes

3S Light and Shadows Distance

3K Learning about
Food Miles

4D Inspired by
NASA's Mars mission

Year 11 Option Fair

Year 11 pupils began looking into their Sixth Form option choices with talks from subject teachers.

This week they had the opportunity to find out more by talking to our current Year 12 and 13 pupils.

Year 7 History

7B made Roman shields and used them to practise Roman army formations and marching. They did a great job researching what they looked like and how to make them and then putting it into action. Thank you to their families for helping them!

Lengua and Ciencias Presentations

Year 5 and 6 talks on 'Our body' and 'The Solar System'

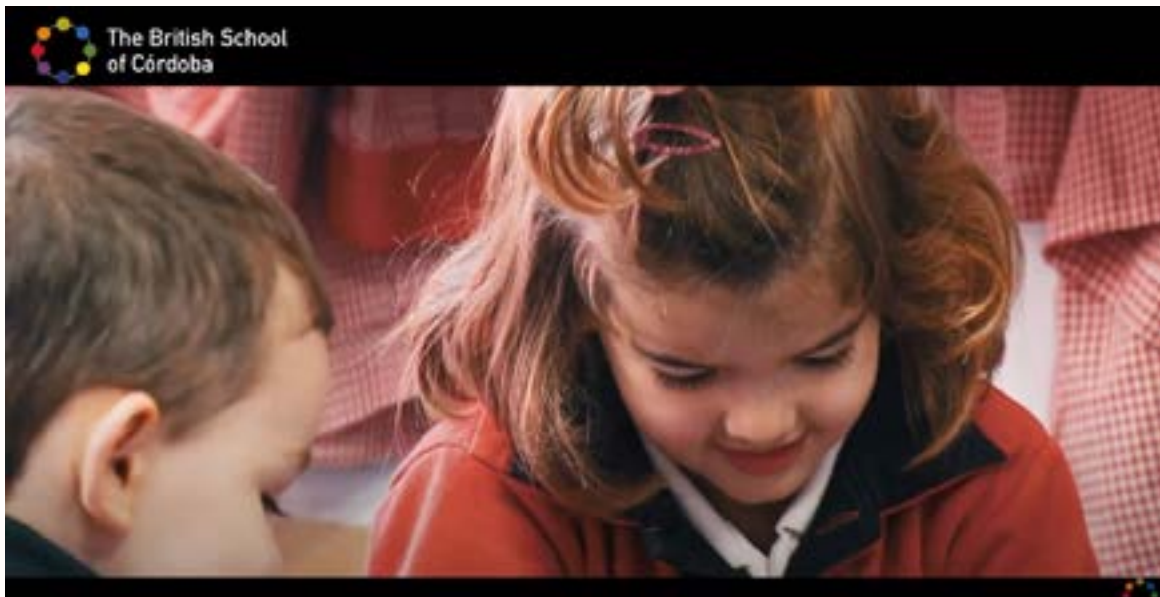

Year 10 Creating a “XXIc. Cancionero-Song Book”

Reminders

- End of Term Friday 26th March, 2:30pm finish

Visit of the Presidente del Consejo Social of The Unniversity of Córdoba

This week we were delighted to welcome guests from the University of Cordoba; Francisco Muñoz Usano (*Presidente del Consejo Social de la Universidad de Córdoba*), Francisco Castejón Riber (*Consejero representante en Consejo Consultivo de FUNDECOR*) and Francisco Saco Larriva (*Personal del Gabinete del Consejo*). Who spent an afternoon visiting classes and talking to our Head Students.
